

إِنَّمَا يُرِيدُ اللَّهُ لِيُذْهِبَ عَنْكُمُ الرِّجْسَ أَهْلَ الْبَيْتِ
وَيُطَهِّرَكُمْ تَطْهِيرًا

*"Indeed Allah desires to repel all impurity from you, O
People of the Household, and purify you with a
thorough purification."*

Qur'an 33:33 (Ayat al-Tathir)

trans. Ali Qulli Qarai — *placeholder
translator, not fixed for this project*

This is not the hadith card's real citation. Hadith cards draw from Tuhaf al-Uqul and the other fixed-edition works, ethics and conduct only, per `sourcing-rules.md` — a Qur'anic verse would not qualify even once sourcing resumes. Used here only because the text is short, universally known, and exercises the Arabic/RTL rendering path.
